

Redmine - Defect #4441

Admin user cannot change issue status for projects he is not a member of

2009-12-18 09:07 - Aron Rotteveel

Status:	Closed	Start date:	2009-12-18
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Permissions and roles	Estimated time:	0.00 hour
Target version:		Affected version:	
Resolution:	Duplicate		
Description Currently, an admin user can change pretty much everything about an issue, except the issue status when the particular user is not a member of the project. The only way around this seems to change the workflow to allow non-members to change these statuses, but this is undesirable.
