

Redmine - Feature #4519

Target version pulldown should sort in descending order

2010-01-04 23:32 - Chris Breen

Status: New	Start date: 2010-01-04
Priority: Low	Due date:
Assignee:	% Done: 0%
Category: UI	Estimated time: 0.00 hour
Target version: Candidate for next minor release	
Resolution:	
Description I'd like things like the version pulldown to be sorted in descending order. This is because the most common action is associate new/unversioned issues with the "latest" version.

Sounds like a feature request, doesnt it.

That said, i would add a +1 for a chance to config sort order on version and category.

#2 - 2010-01-12 06:58 - Ewan Makepeace

+1

#3 - 2013-01-14 11:03 - Daniel Felix

- File *roadmapPulldown.png* added

- Tracker changed from *Defect* to *Feature*

This is more likely a feature request than a bug.

But I would agree, some type of sort would be some improvement for this!

#4 - 2013-01-14 11:04 - Daniel Felix

- Target version set to *Candidate for next minor release*

#5 - 2016-12-23 06:23 - Go MAEDA

- Related to Feature #23137: Completed versions on Roadmap: Sort it so that recently created versions are on top added
