

Redmine - Defect #4530

Can't delete ldap when users count is zero in 0.9-stable

2010-01-07 06:43 - Sheng Wang

Status:	Closed	Start date:	2010-01-07
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	LDAP	Estimated time:	0.00 hour
Target version:	0.9.0	Affected version:	0.8.7
Resolution:	Fixed		
Description Specific URL: http://foo.bar/auth_sources/list Related Code(app/views/auth_sources/list.rhtml) <pre><%= link_to l(:button_delete), { :action => 'destroy', :id => source }, :confirm => l(:text_are_you_sure), :class => 'icon icon-del', :disabled => source.users.any? %></pre> The link_to method does not contain :disabled options. I think this problem is caused by code change(button_to have been replaced by link_to).			

Associated revisions

Revision 3282 - 2010-01-07 21:56 - Jean-Philippe Lang

Fixed: 'Delete' link on LDAP list has no effect (#4530).
