History

#1 - 2010-06-19 18:49 - Greg Mefford

Can't reproduce in trunk Redmine with ruby 1.8.7 and Rails 3.2.5.
My guess is that it's a problem in Rails 2.1.2, but I guess that's pretty obvious from the error message.

#2 - 2010-07-09 15:02 - Felix Schäfer

- Status changed from New to Closed

- Resolution set to Cant reproduce

Can't reproduce on current trunk, filing this one as "old and working now".
