

## Redmine - Feature #4667

### Ability to link to a revision in a subprojects repository

2010-01-27 12:31 - Martin Lindhe

<b>Status:</b> Closed	<b>Start date:</b> 2010-01-27
<b>Priority:</b> Normal	<b>Due date:</b>
<b>Assignee:</b>	<b>% Done:</b> 0%
<b>Category:</b> Wiki	<b>Estimated time:</b> 0.00 hour
<b>Target version:</b>	
<b>Resolution:</b>	
<b>Description</b>	
Description: <a href="#">RedmineTextFormatting</a> explains how to link to a specific revision number such as <a href="#">r123</a>	
But lets say you have a complex setup with a top level project containing several subprojects, and you want to link to a specific revision in a repository that is not attached to the same project as the wiki text you are editing (or rather a issue text)	
Resolution: If this feature exist, it should be documented in <a href="#">RedmineTextFormatting</a> . If it does not exist, this is a feature request.	
For example by using the project identifier (Project Settings->Information->Identifier) in combination with the revision, such as identifier:r123

Is duplicate of Redmine - Feature #4052: Cross-project redmine links with alt...	<b>New</b> <b>2009-10-19</b>

Yes indeed!

It seems i failed to follow proper bug reporting procedures, sorry for the noise.  
Thanks for pointing me in the right direction

##### #3 - 2010-01-27 13:40 - Martin Lindhe

- Status changed from New to Resolved

Changed status to Resolved since this is a duplicate of existing issue

##### #4 - 2010-01-27 15:39 - Felix Schäfer

- Status changed from Resolved to Closed

[#4052](#) is a tad broader than this issue here, but as everyone seems to agree that it's a duplicate, I'll just close this one.

##### #5 - 2015-04-20 16:14 - Go MAEDA

- Has duplicate Feature #17961: permissions for copy project added

##### #6 - 2015-04-20 16:15 - Go MAEDA

- Has duplicate deleted (Feature #17961: permissions for copy project)
