<b>Description</b>			
Currently it's possible to show the estimated time of an issue in the issues overview. It be nice if the actual spent time could also be shown.

I just found out that this is already possible. At the project overview you can see the spent time for all issues ([http://10.0.0.23:3000/projects/IDENTIFIER/time\\_entries?period=all](http://10.0.0.23:3000/projects/IDENTIFIER/time_entries?period=all)).

So I'll mark this as resolved.
