

Redmine - Feature #474

Status grouping

2007-11-05 23:55 - Paul Macdonnell

Status:	New	Start date:	
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Issues workflow	Estimated time:	0.00 hour
Target version:			
Resolution:			
Description The status table currently allows you to select which status indicates that it is "closed" (closed rejected). Could we allow site (or project) admins to create a new project group and select which status' are applicable? EG Status: new assigned resolved deployable deployed closed rejected Status groups: Closed: closed rejected Closable: resolved deployable Working: assigned New: new

- Category set to Issues workflow

#2 - 2013-01-12 18:04 - Daniel Felix

This would be also a good improvement for redmines configuration.

In addition with [#5816](#), these could be powerful for greater projects.
