Redmine - Feature #4769
Ability to move an issue to a different project from the update form
2010-02-08 22:22 - Alex Last

Status: Closed
Priority: Normal
Assignee: Jean-Philippe Lang
Category: Issues
Target version: 1.4.0
Resolution: Fixed

Start date: 2010-02-08

Description
I can change almost all attributes of an issue if I click "update" and then "More" links - all except for "Project" and "tracker type". Those are changed on a separate "Move" page. This looks like an interface inconsistency.
