Redmine - Feature #4769

Ability to move an issue to a different project from the update form

2010-02-08 22:22 - Alex Last

Status:	Closed		**Start date:**	2010-02-08
Priority:	Normal		**Due date:**	
Assignee:	Jean-Philippe Lang		**% Done:**	0%
Category:	Issues		**Estimated time:**	0.00 hour
Target version:	1.4.0			
Resolution:	Fixed			

Description
I can change almost all attributes of an issue if I click "update" and then "More" links - all except for "Project" and "tracker type". Those are changed on a separate "Move" page. This looks like an interface inconsistency.
