Redmine - Patch #4878

More Hook Features

2010-02-18 18:28 - Thomas Löber

Description

Hi!

I added some features to hook.rb:

- cleaned-up call_hook

- added an :if option to render_on, so you can write:

```
render_on :view_issues_form_details_bottom, :partial => "test", :if => :really?
```

- added render_to_string to ActionMailer so call_hook can also be called from the mail templates in app/views/mailer

Unfortunately I didn't manage to write the matching test for @hook_test.rb" so far.

History

#1 - 2010-02-19 19:55 - Jean-Philippe Lang

- Category set to Plugin API

#2 - 2010-11-27 00:40 - Eric Davis

- Assignee deleted (Eric Davis)

I am stepping down from working on Redmine. If someone else is interesting in working on this issue, feel free to reassign it to them.
