

Redmine - Defect #4883

Bottom "contextual" placement in issue with associated changeset

2010-02-19 17:10 - Felix Schäfer

Status:	Closed	Start date:	2010-02-19
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	UI	Estimated time:	0.00 hour
Target version:	1.0.0 (RC)	Affected version:	
Resolution:	Fixed		
Description			
<p>The bottom contextual div ends up on the left of the issue-changesets div if there are not enough comments to push contextual under issue-changesets, I think contextual should always be "the last" div so that it always ends up in the same place.</p> <p>(current-ish trunk, alternate theme)</p>

Revision 3516 - 2010-02-28 17:42 - Jean-Philippe Lang

Fixes bottom links placement in issue with associated changesets (#4883).

History

#1 - 2010-02-21 18:11 - Jean-Philippe Lang

Do you mean that the icons should be on the right of the changesets list?

I'm not sure that it would be more consistent.

#2 - 2010-02-21 22:18 - Felix Schäfer

No, not at the right of the changesets, under the changesets. I'll try to make an example without sensitive data I can make a screenshot of.

- File *bottom_contextual_with_wide_screen.png* added

Ok, I think I found out what the problem is. I wasn't able to reproduce the problem at first, but I then remembered that I had the problem on my large full HD screen. In essence, if the width of the container is big enough to fit the contextual and the issue-changesets next to one another, contextual will be left of issue-changesets instead of bellow.

(Attached is a webgrab of the problem, not included in the comment due to the size of the image)

#4 - 2010-02-22 12:24 - Felix Schäfer

(oh, and the example is here <http://orga.fachschaften.org/issues/100> if you want to have a look for yourself)

#5 - 2010-02-23 22:31 - Jean-Philippe Lang

I see. I though you were speaking about the little icons that allow to reply/edit a comment.

#6 - 2010-02-28 17:43 - Jean-Philippe Lang

- *Status changed from New to Closed*
- *Target version set to 1.0.0 (RC)*
- *Resolution set to Fixed*

Fixed in r3516.
