| <b>Description</b><br>A helpful feature would be to allow a custom field attached to a project to be defined as searchable.<br><br>For instance, a field called "Project ID" could be searchable, allowing the project ID to be entered into the search box returning results. |               |                 |            |

Associated revisions

Revision 3510 - 2010-02-28 11:55 - Jean-Philippe Lang

Allow project custom fields to be searchable (#4945).

History

#1 - 2010-02-28 11:56 - Jean-Philippe Lang

- Status changed from New to Closed
- Target version set to 1.0.0 (RC)
- Resolution set to Fixed

Done in [r3510](#). Project custom fields can now be marked as searchable.
