History

#1 - 2010-03-11 21:05 - Jean-Philippe Lang

- Status changed from New to Closed
- Resolution set to Cant reproduce

Can not reproduce. When 'Issue tracking' module is disabled, the 'New issue' menu item doesn't show up and entering the URL manually (eg /projects/foo/issues/new) gives a 403.

#2 - 2010-03-12 00:44 - minkbear minkbear

- File Setting.jpg added
- File NewIssue.jpg added
- Status changed from Closed to Reopened

The screen shot have been added. I can access /projects/foo/issues/new. Please see in the screen shot. For more info don't hesitate to let me know.

Thanks

As i use plugin named "Redmine Todo Lists plugin", enabling that module then "New issue" menu show up.

So i think this is not a bug for redmine. The bug's belong to plugin, "Redmine Todo Lists plugin".

Thank you for your times.

#4 - 2010-03-12 11:47 - Jean-Philippe Lang
