Description			
<p>This is the page that appears when you click on "Text formatting: help", and then scroll to the bottom of the help popup, and click on "More information".</p> <p>There are 3 broken links on that page:</p> <ul style="list-style-type: none">* [[Guide]] displays a link to the page named 'Guide': Guide* [[Guide#further-reading]] takes you to the anchor "further-reading". Headings get automatically assigned anchors so that you can refer to them: Guide* [[Guide User manual]] displays a link to the same page but with a different text: User manual <p>All these point to /public/help/Guide.html, but that file doesn't exist.</p>
