

Redmine - Patch #5117

mercurial_adapter should ensure the right LANG environment variable

2010-03-18 12:12 - Alessio Caiazza

Status:	Closed	Start date:	2010-03-18
Priority:	Normal	Due date:	
Assignee:		% Done:	100%
Category:	SCM	Estimated time:	0.00 hour
Target version:	1.0.4		

Description

http://www.redmine.org/projects/redmine/repository/revisions/3506/entry/trunk/lib/redmine/scm/adapters/mercurial_adapter.rb#L47

matches with a regular expression which may not work on some locales.

```
$ locale | grep LANG
LANG="it_IT.UTF-8"
$ hg --version
Mercurial SCM Distribuito (versione 1.5+20100307)
```

To ensure the correct behaviour you may set LANG='C' before calling hg.

rake test error snippets

MSysGit has env.exe in "C:\Program Files\Git\bin".
 But TortoiseHg does not have env.exe in "C:\Program Files\TortoiseHg".
 This is not solution.

TortoiseHG didn't install python, it compiles hg.
Not a solution.

#6 - 2010-03-18 18:23 - Toshi MARUYAMA

- *File hg-lang-c.patch added*

I create patch and finish test on Windows.
This patch for Redmine 0.9.3.

#7 - 2010-03-18 21:21 - Jean-Philippe Lang

IMHO, it would be simpler to assume that the version number is of the first line of the output.
Just like we do for other SCM:

```
if m = io.gets.to_s.match(%r{((\d+\.)+\d+)})
  version = m[0].scan(%r{\d+}).collect(&.to_i)
end
```

#8 - 2010-03-19 11:01 - Alessio Caiazza

- *File fix_mercurial_localization_issue.diff added*

Patch based on Jean's advice.

#9 - 2010-09-29 14:30 - Toshi MARUYAMA

- *File hg-version-20100929.diff added*

- *% Done changed from 0 to 100*

I fixed Yuya's [MQ](#) which fails source:tags/1.0.2/test/unit/lib/redmine/scm/adapters/mercurial_adapter_test.rb and added new test.

#10 - 2010-09-29 15:10 - Toshi MARUYAMA

I pushed attachment:hg-version-20100929.diff to my github.

- <http://github.com/marutosi/redmine/commit/hg-version>
- <http://github.com/marutosi/redmine/commit/8fcc83da4dd29c6f96cf7a9db445df604882e0aa>

#11 - 2010-09-30 16:15 - Toshi MARUYAMA

- *File hg-version-yuya-mq-c5a47a5f63.diff added*

Yuya reviewed and updated my previous patch and imported to his MQ.

- <http://bitbucket.org/yuja/redmine-mq-issue4455/issue/7/request-for-refreshing-hg-versiondiff>
- <http://bitbucket.org/yuja/redmine-mq-issue4455/changeset/c5a47a5f63f5>

I attach new patch and pushed my github.

- <http://github.com/marutosi/redmine/commits/hg-version-yuya-mq-c5a47a5f63>
- <http://github.com/marutosi/redmine/commits/e2334dcb4b85976a1224>

I wish to set target of this issue to next stable 1.0.3.

#12 - 2010-11-14 13:19 - Toshi MARUYAMA

- File *hg-version-20101114.diff* added

I update the patch referring of [note-13](#) of #6860.

- change io.gets to io.read
- update regular expression for multi lines
- update test for multi lines

Please set this issue target next stable 1.0.4.

#13 - 2010-11-14 17:29 - Yuya Nishihara

- File *hg-version-2010-11-15.patch* added
- File *hg-version-minimal-2010-11-15.patch* added

Toshi MARUYAMA wrote:

| *attachment:hg-version-20101114.diff*

Hi, I think your patch is overengineered. Here's a patch to fix this issue with minimal changes: *attachment:hg-version-minimal-2010-11-15.patch*

I have another one to fix this, *attachment:hg-version-2010-11-15.patch*, but it contains more changes to simplify the codes.

#14 - 2010-11-20 14:59 - Jean-Philippe Lang

- Status changed from *New* to *Closed*
- Target version set to *1.0.4*

I've committed *hg-version-minimal-2010-11-15.patch* in trunk and 1.0-stable as it solves the reported error.

Thanks.

#15 - 2010-11-20 16:55 - Toshi MARUYAMA

- Status changed from *Closed* to *Reopened*

Summary   : An interpreter of object-oriented scripting language
```

Description :

Ruby is the interpreted scripting language for quick and easy object-oriented programming. It has many features to process text files and to do system management tasks (as in Perl). It is simple, straight-forward, and extensible.

Hmm, #each_line => Enumerator seems also introduced in 1.8.7, according to string.c:rb_str_each_line().
I changed #hgversion_from_command_line to return whole lines and updated the test case accordingly:

attachment:mercurial_adapter_1.8.6fix.patch

This should fix the problem on Ruby 1.8.6.

We could use String#to_a (only for 1.8.x) or String#split("\n"), but I think it's simple just not to eliminate trailing lines.

#20 - 2010-11-21 02:28 - Toshi MARUYAMA

- File *hg-version-2010-11-21.diff* added

I update the patch for SVN trunk referring JPL's implementation of r4419(#6860) which uses io.read and '\A' regular expression.

#21 - 2010-11-21 15:18 - Jean-Philippe Lang

- Status changed from *Reopened* to *Closed*

Fix for 1.8.6 committed in r4422, thanks.
