**History**

#### #1 - 2010-03-20 14:55 - Jean-Philippe Lang
- Assignee deleted (Eric Davis)

There is no issues parameter in your POST request.
How does it occur?

#### #2 - 2010-03-20 17:13 - Alisson Cavalcante Agiani

It occurs randomly when saving new issues...
This bug is only present in the 0.9.x branch, the code in trunk has been refactored so it's not an issue there. I've fixed this in 0.9-stable in r3796 so it shouldn't happen in 0.9.5.

#4 - 2010-06-28 04:32 - Eric Davis
- Subject changed from NoMethodError (undefined method '[]' for nil::NilClass) to NoMethodError when no issue params are submitted (undefined method '[]' for nil::NilClass)
