| Target version:  |                     | Affected version: |            |
| Resolution:  | Duplicate           |                   |            |
| <b>Description</b><br>Basically, the pre tag isn't escaped, so html email readers try to render it.<br><br>To see an example make yourself a watcher on this issue and then notice the email when it's received.<br><br>See the attached screenshot. |                     |                   |            |
| <b>Related issues:</b><br>Is duplicate of Redmine - Defect #4874: HTML part of issue mails is not prope... <div>Closed2010-02-18</div>   |                     |                   |            |

History

#1 - 2010-03-27 13:54 - Jean-Philippe Lang

- Status changed from New to Closed
- Resolution set to Duplicate

Looks like you're not using a recent trunk.  
This was fixed in [r3452](#).

#2 - 2010-03-27 16:25 - Josh Galvez

I assumed redmine.org was using the latest trunk. I noticed this when reporting [#5160](#).
