

Redmine - Patch #5281

Remove empty ul tags in the issue history

2010-04-09 13:51 - Henrik Ammer

Status:	Closed	Start date:	2010-04-09

Target version:	1.0.0 (RC)		

Description

I was a bit annoyed that the ul with the details in history always showed even when empty. Sure, it does not render in most browsers since it's empty but I wasn't to happy about it either. :)

And when I added the if sentence I also added a CSS class to the ul just to make it easier to style if needed.
