

Redmine - Defect #5399

Unassigned issues are not visible

2010-04-29 10:17 - Stanislav German-Evtushenko

Status:	Closed	Start date:	2010-04-29
Priority:	Normal	Due date:	
Assignee:		% Done:	90%
Category:	Issues	Estimated time:	0.00 hour
Target version:		Affected version:	0.9.3
Resolution:	Invalid		
Description			
After redmine upgraded to 0.9.3 I can't see any unassigned issues. I can see these only on the activity page. If I assign issue to someone it appear on the issues page.			

History

#1 - 2010-04-30 13:04 - Jean-Philippe Lang

Please read [SubmittingBugs](#). There's no way I can reproduce this problem.

#2 - 2010-04-30 13:15 - Stanislav German-Evtushenko

About your application's environment
Ruby version 1.8.7 (i586-linux)
RubyGems version 1.3.6
Rack version 1.0
Rails version 2.3.5
Active Record version 2.3.5
Active Resource version 2.3.5
Action Mailer version 2.3.5
Active Support version 2.3.5
Application root /mnt/data/redmine/redmine-0.8-tmp
Environment production
Database adapter sqlite3
Database schema version 20100221100219

#3 - 2010-04-30 13:29 - Jean-Philippe Lang

Thanks but you'll have to investigate on this problem since I'm not able to reproduce with a fresh 0.9.3.

#4 - 2010-04-30 14:36 - Stanislav German-Evtushenko

I have backup of previous redmine (0.8-stable) and I can try to repeat migration on wednesday.

#5 - 2010-04-30 15:06 - Muntek Singh

I just tested going from a backup copy of 0.8.7 -> 0.9.3 and am unable to reproduce.

#6 - 2010-04-30 22:06 - Stanislav German-Evtushenko

- File *Mysterious_issues.png* added

I did it again and got the same result. My steps to reproduce:

1. stop redmine

```
2. svn switch http://redmine.rubyforge.org/svn/branches/0.9-stable # from 0.8-stable
```

```
3. RAILS_ENV=production  
gem install -v=2.3.5 rails
```

```
rake db:migrate RAILS_ENV=$RAILS_ENV  
rake db:migrate:upgrade_plugin_migrations RAILS_ENV=$RAILS_ENV  
rake db:migrate_plugins RAILS_ENV=$RAILS_ENV
```

```
rake tmp:cache:clear
```

```
rake tmp:sessions:clear
```

```
4. $RUN "$MONGREL_RAILS start -e $RAILS_ENV -d -p $PORT"
```

5. Mysterious_issues.png

#7 - 2010-04-30 22:08 - Stanislav German-Evtushenko

Please remove this image. I'll make another one.

#8 - 2010-04-30 22:10 - Stanislav German-Evtushenko

- File *Mysterious_issues.png* added

#9 - 2010-05-05 08:10 - Stanislav German-Evtushenko

- File *rake_test.txt* added

Problem isn't in database. I've created new DB and got the same result.
I did rake test and attached the log.

#10 - 2010-05-06 00:13 - Stanislav German-Evtushenko

- % Done changed from 0 to 90

I've found what didn't work. After sqlite3 updated from 3.2.8 to 3.6.2 redmine become works.

#11 - 2010-07-05 13:28 - Holger Just

- Status changed from *New* to *Closed*

- Resolution set to *Invalid*
