Redmine - Feature #5616

Filter for "Status" text

2010-05-29 13:47 - Jonas Nagel

Status:	Closed		**Start date:**	2010-05-29
Priority:	Normal		**Due date:**	
Assignee:			**% Done:**	0%
Category:			**Estimated time:**	0.00 hour
Target version:				
Resolution:				

Description
Currently there is only a possiblity to filter for "open" and "closed" Status, but there is no way to filter for certain Status text contents such as "Resolved" or "Feedback" (depending on implementation). I suggest implementing a filter which enables to select from existing Status texts (labels?).

## History

#1 - 2010-05-29 13:50 - Jonas Nagel

This probably should be implemented as optional multiselect too.

#2 - 2010-05-30 04:28 - Mischa The Evil

- File multiple_is_statuses_filter.png added

- Status changed from New to Closed

This is already implemented. See the screenshot below:

More info can be found in the [Redmine Guide](#).
