

Redmine - Feature #5630

Links in the e-mails and petitions

2010-06-01 16:16 - Iván Ruiz

Status:	Closed	Start date:	2010-06-01
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:			
Resolution:	Invalid		
Description I have a problem with links in the e-mails and petitions ne as it appears as host: localhost, instead of the name of the Redmine server. I am a beginner. Regards.
