

Redmine - Feature #5746

Feature Request - Allow the sidebar to be collapsable

2010-06-24 01:01 - Dain Kaplan

Status:	Closed	Start date:	2010-06-24
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	UI	Estimated time:	0.00 hour
Target version:			
Resolution:	Duplicate		
Description The sidebar on the right is very useful, but sometimes it would be nice to collapse it when it is not needed. Google Maps does this, for example, and it works very well.

- Status changed from Resolved to New

- % Done changed from 70 to 0

#10 - 2010-06-24 11:03 - Yuki Kita

There is a plugin that allows the sidebar to be collapsable.(See [PluginCollapse](#))
But it would be nice if the plugin feature is moved into the Redmine core.

#11 - 2010-06-24 20:08 - Dain Kaplan

The plugin page makes no comment about the stability with version 0.9. Is it likely that it will work? It would be great to have it built into Redmine core.

I think it works, but it is not fully compatible with Redmine 0.9.x and current trunk. E.g. some issues with plugin configuration and an outdated base-view override.

That's the reason why I've removed trunk and 0.9 of the plugins'compatibility entry in the [plugin list](#).

I'll soon try to update the plugin to be fully compatible with both Redmine 0.9.x and the current trunk.

Kind regards,

Mischa.

I saw this plugin before, but I cannot tell if it will satisfy the need to collapse the right sidebar on the issues tab (or move it to the left and make it collapsable, which is fine). The plugin page seems to indicate it addresses projects, actions, and overview, but I saw no mention of issues.

Could anyone upload a screenshot of this plugin used in combination with the Issues tab? I'm running 1.0.1 so I don't think the plugin will work for me to see for myself. Plus, I need to keep my dev instance here clean until next week for an internal demo. Thank you in advance.

#14 - 2016-08-21 23:45 - Go MAEDA

- *Is duplicate of Feature #21808: Make the Sidebar collapsible, stateful added*

#15 - 2016-08-21 23:46 - Go MAEDA

- *Category set to UI*

- *Status changed from New to Closed*

- *Resolution set to Duplicate*

A patch was submitted as [#21808](#).
