Description

make everyone who is open redmine software, can get the any new Notification like microsoft outlok

we can get notification if there is any new, in my page
it is notification shown in the bottom corner from the dekstop

i wish this feature can updated in new version (0.9.5)

History

#1 - 2010-06-29 16:06 - Felix Schäfer

- Status changed from New to Closed

- Resolution set to Invalid

This is a windows specific request that we won't address.

Have redmine send you mails and your mail client to show notifications for similar functionality.
