This ticket could be closed.

You can define on a per role basis that "assigned to" could be read-only.

#2 - 2012-10-28 02:29 - Mischa The Evil

- Description updated
- Status changed from New to Closed
- Resolution set to Duplicate

Indeed.

You can define on a per role basis that "assigned to" could be read-only.

This request is superseded by [r9977](#) for [#3521](#) (Redmine >= [2.1.0](#)), reflecting this with a duplicates relation for reference.
