

Redmine - Patch #5838

add call to :view_repositories_show_contextual hook in app/views/repositories/revision.rhtml

2010-07-08 12:41 - chantra .

Status:	New	Start date:	2010-07-08
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Hook requests	Estimated time:	0.00 hour
Target version:			
Description			
<p>This hook is called in quite a few places, but in order to get my Git Revision Download working properly, I needed to override source:trunk/app/views/repositories/revision.rhtml</p> <p>see:</p> <p>http://redmine.debuntu.org/projects/gitrevision-download/repository/revisions/master/changes/app/views/repositories/revision.rhtml</p> <p>I would appreciate to have this hook called from source:trunk/app/views/repositories/revision.rhtml as this would prevent overriding customized redmine UI.</p> <p>It is somehow a follow up on #2073</p> <p>Tks</p>
