When a matter is updated, an option should be available to update the Priority.			
Cheers			

Associated revisions

Revision 1129 - 2008-02-09 17:11 - Jean-Philippe Lang

Merged IssuesController #edit and #update into a single actions.
Users with 'edit issues' permission can now update any property including custom fields when adding a note or changing the status (#519, #581, #587).
