Target version:			
Resolution:	Duplicate		
Description Hi ! I created a restricted role for my clients and I'd like to be able to hide member list on the project page. I don't want my clients to know who works on the project and who bought it :D Note: this role only permits them to submit a new request. PS: amazing software :) I'm addicted by now ^^

History

#1 - 2011-05-13 19:58 - Bruno Medeiros

We create a subproject for clients to report bugs here in my company, maybe it suites your needs.

#2 - 2011-08-26 14:57 - Maxim Krušina

We use same sollution> Support project only for clients and our project managers...
