#1 - 2013-01-15 10:36 - Daniel Felix

- Status changed from New to Closed

- Resolution set to Cant reproduce

Hi,

I'm not sure what the author means with this subject. Unless there is no description, I have no way to confirm this.

I just tried some bulk edit and check the context menu (which is correct) and checked the edit of multiple issues. The table fields are correctly connected and the display is of the form is pretty ok.

Concerning the date of this issue, this could be closed.
