History

#1 - 2008-02-05 19:42 - Thomas Lecavelier

- File add_xsd_as_xml_mimetype_SOLO.patch added

WARNING! You let your proposal for a previous patch in your local copy. The correct patch is attached.

#2 - 2008-02-05 20:11 - Kit Plummer

- File added_xsd_mxml.patch added

There's a whole slew of XML filetypes...like Adobe's Flash. Not sure if those should be captured in this patch too. Would help me out - so, I'm adding mxml to the list now.

#3 - 2008-02-07 19:06 - Jean-Philippe Lang

- Status changed from New to Closed

Added with a few other extensions in [r1128](r1128).
