

Redmine - Defect #6233

Time Track impossible if project identifier is numeric

2010-08-27 09:15 - Mortitia Adams

Status:	Closed	Start date:	2010-08-27
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Time tracking	Estimated time:	0.00 hour
Target version:		Affected version:	0.9.4
Resolution:	Cant reproduce		
Description			
If a project identifier is only numeric, the form for time track input crashes.			
<pre>TypeError in Timelog#edit</pre>			
<pre>Showing app/views/timelog/edit.rhtml where line #3 raised:</pre>			
<pre>can't convert Fixnum into String</pre>			
(Full Stack attached)			
Changed the identifier to a non-numeric value for this project in DB, then it worked.			

History

#1 - 2010-09-13 21:19 - Mischa The Evil

- Status changed from New to Resolved
- Priority changed from High to Normal
- Resolution set to Cant reproduce

If a project identifier is only numeric, [...]

A project with a project identifier containing digits only should not be possible to create at first, since that is not supported. See [source:/trunk/app/models/project.rb@4083#L73](#).

Mayb I ask how you created the project (or more specific: using which Redmine version) or did you migrated from another system?

#2 - 2010-10-02 01:23 - Mischa The Evil

- Status changed from Resolved to Closed

No feedback. Please re-open if needed.

#3 - 2011-10-25 12:47 - Louis Wentz
