Redmine - Defect #6467

"Member of role", "Member of group" filter not work correctly

2010-09-23 07:34 - Yuki Kita

Status:	Closed		**Start date:**	2010-09-23
Priority:	Normal		**Due date:**	
Assignee:	Eric Davis		**% Done:**	0%
Category:	UI		**Estimated time:**	0.00 hour
Target version:	1.1.0			
Resolution:	Fixed		**Affected version:**	

Description
I noticed a tiny bug at r4077 and r4078 that added "Member of role", "Member of group" into the issue filters. When filtering issues with "Member of role" or "Member of group" added, the selected value of the filter reverts to the top of the selection list.

Associated revisions

Revision 4260 - 2010-10-16 02:00 - Eric Davis

Remember the selected "Member of Role" and "Member of Group" options. #6467
