Revision 4189 - 2010-09-26 23:54 - Eric Davis

Support leading and trailing spaces in filenames or directories in the git adapter. #6499

Contributed by Felix Schäfer

History

#1 - 2010-09-26 22:27 - Felix Schäfer

- Status changed from New to 7

See <http://github.com/thegcat/redmine/commit/1200f73f7e306f7c0fa3c354a50add12cdc1b15e>, should correct the places this occurs.

#2 - 2010-09-26 22:30 - Felix Schäfer

- Assignee changed from Felix Schäfer to Eric Davis

- Target version set to 1.0.2

#3 - 2010-09-26 23:50 - Eric Davis

- Status changed from 7 to Resolved

- % Done changed from 0 to 100

- Resolution set to Fixed

Thanks for figuring this out. Those regular expressions are pretty nasty.
