

Redmine - Defect #6506

Gantt chart export to PDF/PNG works incorrectly in zh-tw locale

2010-09-27 08:11 - ChunChang Lo

Status:	Closed	Start date:	2010-09-27
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Gantt	Estimated time:	0.00 hour
Target version:		Affected version:	
Resolution:	Duplicate		
Description			
PDF			
- project without open issue -> the lower half of the table is missing in the resulting PDF			
- project with lots of open issue -> too many pages in the resulting PDF			
PNG			
- Chinese characters are not rendered correctly			
By the way, the zh-tw day names used in Gantt chart should use short names rather than long names too as reported in issue #6502.
