

Redmine - Patch #6546

"Spent time" block for current week on "My page"

2010-09-30 16:14 - Maxim Strukov

Status:	Closed	Start date:	2010-09-30
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	My page	Estimated time:	0.00 hour
Target version:			
Description The company I work in employee productivity is measured by weeks. Very handy to see on <i>My page</i> the same hours as the manager sees them. After this patch "Spent time" displays the time for the current week instead of the last 7 days. Maybe this will be useful to others Patch for version 1.0.2
