Assignee:	Azamat Hackimov		**% Done:**	0%
Category:	Translations		**Estimated time:**	0.00 hour
Target version:				
Resolution:			**Affected version:**	

Description
label_user_mail_option_none is translated the same as label_user_mail_option_only_my_events

History

#1 - 2010-10-16 20:41 - Holger Just

Please be so kind to provide a patch with the corrected translation so we can fix it in upcoming releases.

#2 - 2010-12-30 16:49 - Jean-Philippe Lang

- Status changed from New to Closed

Some strings were wrongly merged in 1.0-stable. It should be fixed in 1.0.5
