<b>Target version:</b>	1.0.4	<b>Affected version:</b>	1.0.2
<b>Resolution:</b>	Fixed		

#### Description

Since this bug is independent from any other software versions, I am omitting the usual information.

There are absolute links hardcoded in redmine views, which does not work if redmine is hosted in some subdirectory (e.g. "/redmine").

This is the location I found so far, but I don't know if it's the only one.

In *app/views/my/page\_layout.rhtml*:

```
Sortable.create("list-top", {constraint:false, containment:['list-top','list-left','list-right'], dropOnEmpty:true, handle:'handle',
onUpdate:function(){new Ajax.Request('/my/order_blocks?group=top', {asynchronous:true, evalScripts:true,
parameters:Sortable.serialize("list-top")}}), only:'mypage-box', tag:'div'})
Sortable.create("list-left", {constraint:false, containment:['list-top','list-left','list-right'], dropOnEmpty:true, handle:'handle',
onUpdate:function(){new Ajax.Request('/my/order_blocks?group=left', {asynchronous:true, evalScripts:true,
parameters:Sortable.serialize("list-left")}}), only:'mypage-box', tag:'div'})
Sortable.create("list-right", {constraint:false, containment:['list-top','list-left','list-right'], dropOnEmpty:true, handle:'handle',
onUpdate:function(){new Ajax.Request('/my/order_blocks?group=right', {asynchronous:true, evalScripts:true,
parameters:Sortable.serialize("list-right")}}), only:'mypage-box', tag:'div'})
```

They should be replaced by

```
Sortable.create("list-top", {constraint:false, containment:['list-top','list-left','list-right'], dropOnEmpty:true, handle:'handle',
onUpdate:function(){new Ajax.Request('<%= url_for(:controller => 'my', :action => 'order_blocks', 'group' => 'top') %>',
{asynchronous:true, evalScripts:true, parameters:Sortable.serialize("list-top")}}), only:'mypage-box', tag:'div'})
Sortable.create("list-left", {constraint:false, containment:['list-top','list-left','list-right'], dropOnEmpty:true, handle:'handle',
onUpdate:function(){new Ajax.Request('<%= url_for(:controller => 'my', :action => 'order_blocks', 'group' => 'left') %>',
{asynchronous:true, evalScripts:true, parameters:Sortable.serialize("list-left")}}), only:'mypage-box', tag:'div'})
Sortable.create("list-right", {constraint:false, containment:['list-top','list-left','list-right'], dropOnEmpty:true, handle:'handle',
onUpdate:function(){new Ajax.Request('<%= url_for(:controller => 'my', :action => 'order_blocks', 'group' => 'right') %>',
{asynchronous:true, evalScripts:true, parameters:Sortable.serialize("list-right")}}), only:'mypage-box', tag:'div'})
```

#### Associated revisions

Revision 4380 - 2010-11-07 13:36 - Jean-Philippe Lang

Removed hardcoded links in my/page\_layout (#6839).

## History

---

### #1 - 2010-11-07 13:30 - Jean-Philippe Lang

- Status changed from New to Resolved
- Target version set to 1.0.4
- Resolution set to Fixed

Fixed in r4380. Thanks.

### #2 - 2010-11-07 13:30 - Jean-Philippe Lang

- Subject changed from *Hardcoded absolute links* to *Hardcoded absolute links in my/page\_layout*

### #3 - 2010-11-14 12:11 - Jean-Philippe Lang

- Category set to *Code cleanup/refactoring*
- Status changed from *Resolved* to *Closed*

Merged in 1.0-stable in r4400.
