

Redmine - Defect #6908

"Status" and "Assigned To" fields association

2010-11-16 08:02 - Pit Seberum

Status:	Closed	Start date:	2010-11-16
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Issues	Estimated time:	0.00 hour
Target version:		Affected version:	
Resolution:	Invalid		
<b>Description</b> Hello, everybody. I've been learning Redmine, but I haven't found any information about how to bind the status change with automatic change of the assignee. For example, if you choose the status "Resolved  then assignee is automatically changed to the issue originator.			

History

#1 - 2010-11-16 18:19 - Jean-Philippe Lang

- Status changed from New to Closed
- Resolution set to Invalid

There is no such possibility in the Redmine configuration, so there's no defect here.  
See [#6203](#) as a similar report.
