

Redmine - Patch #6928

Still display versions which are due today

2010-11-17 20:14 - Holger Just

Status:	Closed	Start date:	2010-11-17
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:			
Description			
Versions which are due today are currently hidden by default. This is rather confusing during the process of releasing stuff, writing change logs, etc.			
The attached patch (also on github) fixes this.			

History

#1 - 2010-11-17 21:05 - Holger Just

- File 6928-Still-display-versions-which-are-due-today.patch added

Missed a failing test...

#2 - 2010-11-17 21:05 - Holger Just

- File deleted (6928-Still-display-versions-which-are-due-today.patch)

#3 - 2015-03-24 00:49 - Go MAEDA

- Status changed from New to Closed

Fixed in [r10397](#).
