<b>Description</b> It is essential for my work the possibility of filtering issues from date to date using a calendar tooltip. I will try to make a patch but it is not so simple. There are two issues related with this: 4502 and 4729

### Associated revisions

#### Revision 6226 - 2011-07-10 19:29 - Jean-Philippe Lang

Adds date based filters (#4729) and date range filter (#6954).

### History

#### #1 - 2010-11-23 14:56 - Paolo Sulprizio

It could be resolved by [#1140](#)

#### #2 - 2010-11-23 20:33 - Andrea Saccavini

This is not the solution. I need a filter from date to date and not x number of days from today as you can do with the actual filter capabilities.  
It is an essential filter requirement and it is a surprise that is not yet implemented.
