It is essential for my work the possibility of filtering issues from date to date using a calendar tooltip.
I will try to make a patch but it is not so simple.
There are two issues related with this: 4502 and 4729

Associated revisions

Revision 6226 - 2011-07-10 19:29 - Jean-Philippe Lang

 Adds date based filters (#4729) and date range filter (#6954).

History

#1 - 2010-11-23 14:56 - Paolo Sulprizio

It could be resolved by #1140

#2 - 2010-11-23 20:33 - Andrea Saccavini

This is not the solution. I need a filter from date to date and not x number of days from today as you can do with the actual filter capabilities. It is an essential filter requirement and it is a surprise that is not yet implemented.

#3 - 2011-03-14 09:38 - Andrea Saccavini

- Status changed from New to Resolved

Resolved with an excellent plugin: redmine_extra_query_operators

#4 - 2011-03-14 09:45 - Etienne Massip

- Status changed from Resolved to New

#5 - 2011-04-07 20:55 - Cassiano Monteiro
I vote for this feature too!

#6 - 2011-04-08 08:59 - Etienne Massip
- Target version set to Candidate for next major release

#7 - 2011-07-10 13:35 - Jean-Philippe Lang
- Target version changed from Candidate for next major release to 1.3.0

#8 - 2011-07-10 19:33 - Jean-Philippe Lang
- File date_range_filter.png added
- Status changed from New to Closed
- Resolution set to Fixed

Added in r6226:

date_range_filter.png
