Description
It is essential for my work the possibility of filtering issues from date to date using a calendar tooltip.
I will try to make a patch but it is not so simple.
There are two issues related with this: 4502 and 4729

It could be resolved by #1140

#2 - 2010-11-23 20:33 - Andrea Saccavini
This is not the solution. I need a filter from date to date and not x number of days from today as you can do with the actual filter capabilities.
It is an essential filter requirement and it is a surprise that is not yet implemented.
