<b>Resolution:</b>			
<b>Description</b>			
On the roadmap, the headers (h1, h2, etc) of related Wiki pages are more prominent than the version names.			
For better consistency, it would be better if the h1 of the wiki page was made smaller than the version name.			

#### Associated revisions

##### Revision 1168 - 2008-02-21 20:49 - Jean-Philippe Lang

Roadmap enhancements (closes #697, #698):

- separate related issues from wiki contents
- leading h1 in version wiki pages is hidden (done using css, won't work with IE6)
- smaller wiki headings
- xhtml validation
