# Description

"See all issues" link is confusing.

Instead, IMHO, that should be renamed to "See all open issues"

## History

#### #1 - 2010-12-01 19:54 - John Yani

Oops, added estimated time accidently. Sorry for that

## #2 - 2011-03-14 12:13 - Jonas De Meulenaere

(You can remove the estimated time again)

The link has been removed in <u>r18304</u> (Redmine 4.1.0).
