Redmine - Patch #7058

Duplicate submit and link buttons on top of the edit form.

2010-12-06 21:42 - Manuel Vázquez Acosta

Status:	New	**Start date:**	2010-12-06
Priority:	Normal	**Due date:**	
Assignee:		**% Done:**	0%
Category:	UI	**Estimated time:**	0.00 hour
Target version:			

Description

I thinks it's nice to have the submit button and the preview link also on the top of the edit form, to improve usability.

If the user needs just to update the status of an issue, or the priority; this patch would keep him from scrolling.
