Redmine - Feature #7149

Tracker logic upgrade

2010-12-21 14:14 - Novikov Igor

Status: New Start date: 2010-12-21 **Priority:** Normal Due date: Assignee: % Done: 0% Category: **Estimated time:** 0.00 hour Issues Target version: Resolution:

Description

If tracker is chosen during issuses select(via filters), m.b. on creation the same should be chosen by default. I meen "filters->TT tracker" -> "New issue" with preselected TT-tracker. To increase speed and avoid tracker errors:)
