<b>Resolution:</b>			
<b>Description</b>			
I am using <i>0.6.devel.1168</i> version.			
When creating a Custom Field (Issues) I've selected only one tracker and marked "Required" and "Used as filter" checkboxes.			
After save only "Used as filter" is checked but "Required" is cleared.			

#### Associated revisions

##### Revision 1171 - 2008-02-22 18:48 - Jean-Philippe Lang

Fixed: Issue custom fields "required" flag not stored (broken by r1090). Closes #715.
