Bulk watch/unwatch issues from the context menu (#7159).

History

#1 - 2010-12-22 22:06 - Jean-Philippe Lang

- Subject changed from Add item Watch/Unwatch to right-button-click menu to Bulk watch/unwatch issues from the context menu

Renamed since watch/unwatch link is already available in the context menu for watching/unwatching a single issue.

#2 - 2012-01-09 16:45 - Oli Kessler
