

Redmine - Feature #7168

Classified according to user-defined attributes display projects,like document

2010-12-24 03:14 - le fang

Status:	Closed	Start date:	2010-12-24
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Projects	Estimated time:	0.00 hour
Target version:			
Resolution:	Wont fix		

**Description**

If we can add some user-defined attributes to the projects, and then classified according to properties display all the projects, it will be great.

History

#1 - 2016-08-28 05:27 - Go MAEDA

- Category set to Projects

#2 - 2020-03-08 13:10 - Go MAEDA

- File projects-filter@2x.png added
- Status changed from New to Closed
- Resolution set to Wont fix

You can do it by making use of the query system for projects that has been implemented in Redmine 4.1 ([#29482](#)) and project custom fields.
