

Redmine - Defect #7170

Custom attribute in REST response breaks ActiveResource

2010-12-24 11:30 - Yohann Monnier

Status:	Closed	Start date:	2010-12-24
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:		Affected version:	
Resolution:	Wont fix		
Description For example in User api : <code><users type="array" total_count="3" limit="25" offset="0"></code> These 3 attributes break the active resource parsing : <code>can't typecast "1"</code> Déjà vu ;)			

History

#1 - 2010-12-24 11:50 - Yohann Monnier

Maybe these attributes could be optional ?

OR

We could unactivate it through a parameter..

#2 - 2010-12-29 19:23 - Jean-Philippe Lang

- Status changed from New to Closed

- Resolution set to Wont fix

Redmine offers a way to get responses without these attributes.

See [Rest_api#Collection-resources-and-pagination](#).
