Redmine - Defect #718

roadmap: post --> get

2008-02-22 17:20 - chris mcharg

Status:	Closed	**Start date:**	2008-02-22
Priority:	Normal	**Due date:**	
Assignee:		**% Done:**	0%
Category:	UI	**Estimated time:**	0.00 hour
Target version:	0.8		
Resolution:	Fixed	**Affected version:**	

Description

Currently, selecting to display completed versions is done with a post. Reloading the page after after this brings on the dreaded dialogue box. I refresh the page a lot during project planning, so this is definitely annoying.

I think that usability would be improved by changing this from a post to a get. I guess you could add additional routing to keep the URL clean.

Associated revisions

Revision 1388 - 2008-04-30 14:14 - Jean-Philippe Lang

Use GET instead of POST on roadmap (#718), gantt and calendar forms.

History

#1 - 2008-04-30 14:13 - Jean-Philippe Lang

- Status changed from New to Closed

- Target version set to 0.8

- Resolution set to Fixed
